

17th European White Dwarf Workshop

August 16 – 20, 2010

Tübingen
Germany

WD Structure and Evolution

Progenitors and Central Stars of Planetary Nebulae

Binaries: WDs in CVs

Double Degenerates

WD/Brown Dwarf Systems

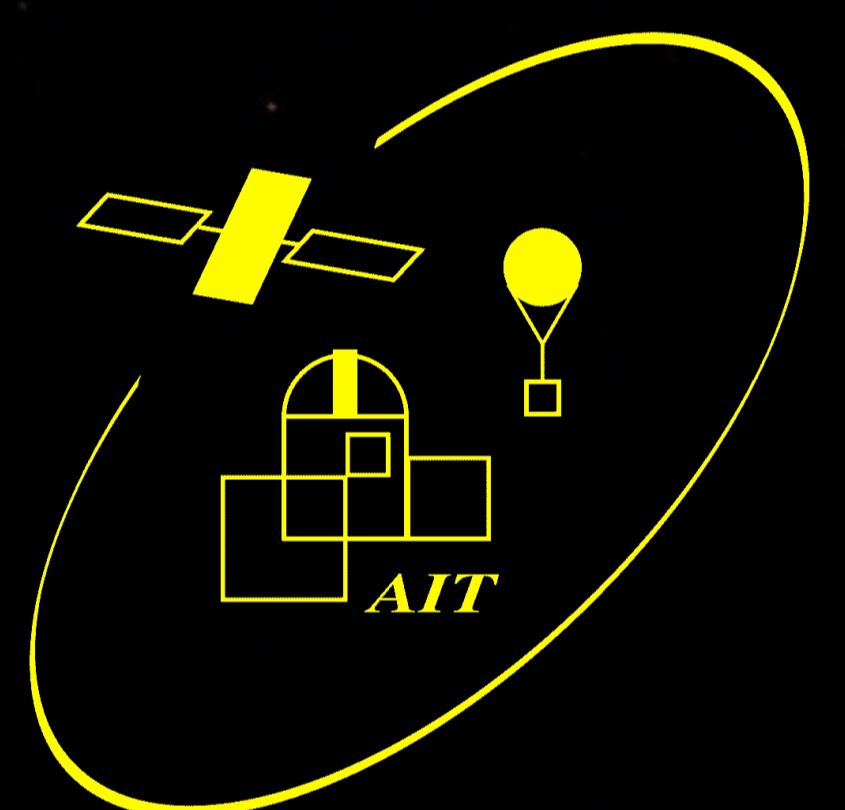

WD's Dust Disks and Planetary Systems

Atmospheres, Chemical Composition, Magnetic Fields

Pulsating WDs

WDs in Stellar Clusters and in the Halo

WDs as SN Ia Progenitors
